

6 May 1965

Dear Paul:

25X1A Here is a copy of [redacted] cost estimate for the services
25X1A of [redacted] and one secretary for the period 1 January 1965
to December 1965.

25X1A As you may recall you originally made [redacted] available
25X1A for the follow-on effort at [redacted]. Part of this was used to
settle the first contract with [redacted], the final cost of which
was higher than anticipated because of overhead adjustments. You
will probably also recall our discussions on the fact that [redacted]
suffered a loss of business which increased their overhead rate.

It would seem that the total cost for the follow-on effort
from January to December 1965 is [redacted]. Note that we have
eliminated fee on travel and living expenses. The Contractor
is presently working on a Letter Contract covered by the initial
funds you made available to me. As soon as you provide the additional
funds for this program I will issue a formal contract to [redacted]
on a time and materials basis.
